

Coaxial Adapter SMA/SMP-KFJG

1. Technical Specifications

| Electrical Performance | | Material and Plating | |
|---------------------------------|----------|----------------------|-------------------------------|
| Frequency Range | DC~18GHz | Outer Conductor | Stainless Steel, Passivated |
| VSWR | ≤1.2 | Inner Conductor | Beryllium Copper, Gold Plated |
| Insulation Resistance | ≥5000MΩ | Dielectric | PEI |
| Dielectric Withstanding Voltage | ≥500Vrms | | |

2.Outline Dimensions (Unit: mm)
